

Product End-of-Life Recycle Program

NORTON encourages environmentally responsible practices for processing and disposing of products that have reached the end of their useful life.

In support of these practices, NORTON is announcing the availability of a Product End-of-Life (PEOL) Recycling program. This free program provides recycling and/or disposal of NORTON products that have reached the end of their life cycle and are beyond the product's warranty period.

To participate in this program, see the directions below:

- All returns for recycling must be pre-approved and have a Returned Goods Authorization (RGA) prior to shipping. We reserve the right to limit or refuse any request. Contact Customer Service at 1-877-974-2255 for an RGA form.
- Only NORTON products may be returned and they must be free from other building materials attached to the products.
- After the RGA has been approved, send products to:

RECYCLE PEOL
Norton Door Controls
3000 Highway 74 East
Monroe, NC 28112

Notes:

- No credits or exchanges will be issued.
- All packing, freight and handling expenses are the sole responsibility of the sender.

For additional information, contact your ASSA ABLOY Door Security Solutions sales consultant, call NORTON at 877-974-2255 or visit www.nortondoorcontrols.com.
